

## **10-8-2022 BES Weekly Update**

Hello Parents and Guardians!

Here are a few updates for BES ... attendance being the most important. **Please help us help our students by getting them to school!**

**1. Attendance:** I need everyone's help. We are trying to help students "catch up" on learning standards as a result of the last couple of years, and to develop persistence and the ability to work through challenges, such as fatigue. Too many students have already missed many days of school, making it virtually impossible for them to be successful with their learning. Please make the commitment to get your students to school every day. It is important for both their social-emotional and academic development. I will be sending home additional information on attendance next week, but ultimately, it comes down to all of us working together to place a high value on school attendance and learning. If we can help in any way, please reach out for support.

**2. Job Openings** - We have several openings still at BES. If you know of anyone who is interested, please have them contact me at 603-267-6568 or [bhill@sau80.org](mailto:bhill@sau80.org). They can also apply at [schoolspring.com](https://schoolspring.com) using the following job numbers:

**3. Halloween Parade** - BES will host a Halloween parade on Friday, October 28th at 2:45pm. Due to the volume of parents typically in attendance on that day, we will need to dismiss students according to our normal car rider procedures. In order to maintain student safety, we will not be dismissing students from the office at the end of the day. More information will be distributed prior to this event.

Enjoy the long weekend!
